The BOBASHELA 1930

The YEAR BOOK *of*

MILLSAPS COLLEGE

Jackson, Mississippi

VOLUME XXIV

FOREWORD

In this volume we have attempted to chronicle the events and the pleasant associations of this year at Millsaps College. If in future years you turn through these pages and you recognize the names and faces of your classmates, and your heart is warmed by the sight of familiar scenes, and you feel the thrill of former associations, then, indeed, our purpose in this book will have not been in vain.

President's Message

To the Makers and Readers of the Bobashela of 1930:

THE Senior Class of 1930 has created in this volume a beautiful and artistic memorial that perpetuates the life of Millsaps of our day. May it do for this brief period of Millsaps' history what memory does for the events of our lives—that is, re-create the past in a perspective that, while it mellows and endears, also brings proportion and meaning into the confused and crowded scene.

The last gesture of your hour upon this stage is caught in these pages and here you have your say, as in a movietone, perpetuating for all time (or at least until these leaves fade) the significant events of your fleeting college generation.

The significances of this islet of campus in time and space are as varied, as subtle and as obvious, as the meanings that shout and whisper in the great world about our islet. Sport, music, play, the faces of those we meet and pass, these fill up the daily press, as well as the college annual. They are the surface phenomena of the changing scene. They will insure your success by their vividness and beauty when the annual is distributed and thumbed through next spring.

But the deeper meanings of Millsaps life, if you catch them, will appear more clearly to later readers who turn the leaves in retrospective mood somewhere around 1950. For these deeper meanings Millsaps College exists and all colleges exist—symmetry and intelligence in the patterns of life and nature, balance, equity, proportion and beauty in the contacts of men.

Of all these deeper meanings, none is more essential in the Christian conception of life for which Millsaps College stands than that contained in the beautiful pagan word that names your volume BOBASHELA, good friend.

May this volume help us, both now and later, to perpetuate the comradeships of all our bobashelas.

D. M. KEY, *President.*

Alma Mater

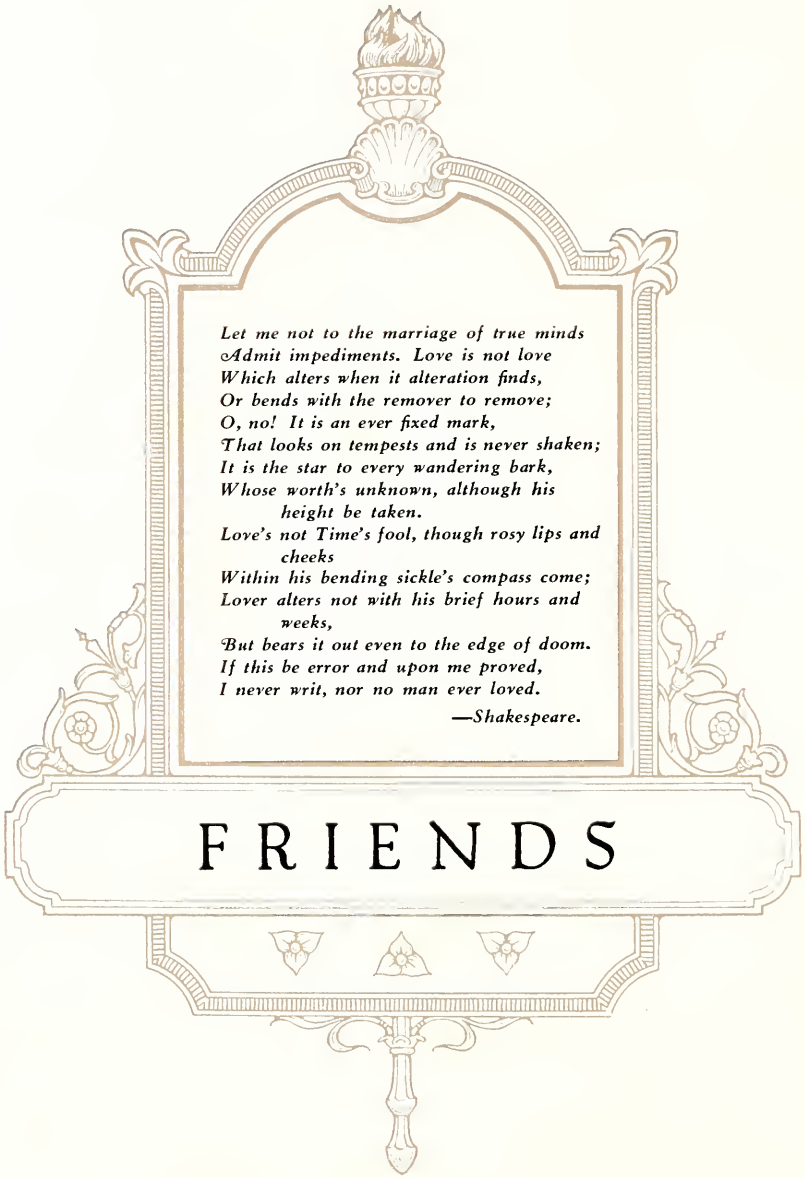

Alma Mater, dear old Millsaps,
Loyal Sons are we;
Our fond hearts are thine alone
And ever more shall be.

Proud art thou in classic beauty
Of thy noble past,
With thy watchword, Honor, Duty,
Thy high fame shall last.

Every student, man and maiden,
Swell the glad refrain,
'Til the breezes, music laden,
Waft it back again.

CLASSES

Let me not to the marriage of true minds
Admit impediments. Love is not love
Which alters when it alteration finds,
Or bends with the remover to remove;
O, no! It is an ever fixed mark,
That looks on tempests and is never shaken;
It is the star to every wandering bark,
Whose worth's unknown, although his
height be taken.
Love's not Time's fool, though rosy lips and
cheeks
Within his bending sickle's compass come;
Lover alters not with his brief hours and
weeks,
But bears it out even to the edge of doom.
If this be error and upon me proved,
I never writ, nor no man ever loved.

—Shakespeare.

YOUNG VAN HOOK HALE BRUMFIELD

Coaches

As athletic director, assistant football coach, and head coach of varsity basketball, B. O. Van Hook is doing his part in bringing Millsaps athletics to the forefront. "Van" is a good manager and a good coach and is the possessor of a genial personality and wit that makes him popular on the campus. "Van" can always "figure" Millsaps to win and his belief in the team helps them to a belief in themselves.

E. W. "Goat" Hale, head football coach, is rapidly making Millsaps one of the most feared teams in the S. I. A. A. Planning the campaigns and directing the team with consummate skill, "Goat" reveals that the born football player is also the born coach and that under him football will be played as football and not as tag.

If the success of Freshman athletics may be regarded as indicative of the success of the future varsity teams, "Slim" Young's Freshmen charges will not be on the losing end in times to come when they are the varsity. The problem of coaching the frosh, which is perhaps the hardest coaching problem of all, has been solved by "Slim" in a calm and confident way that has won him friends as well as victories.

Mrs. Brumfield, girls' basketball coach, has had seasons prosperous to a parallel with the rise of Millsaps in other lines of sport. Everyone knows that the "Majorettes" have a good team and a good coach. She holds the esteem of both team and students.

CAPTAIN WRIGHT SELMAN KELLY BEALLE

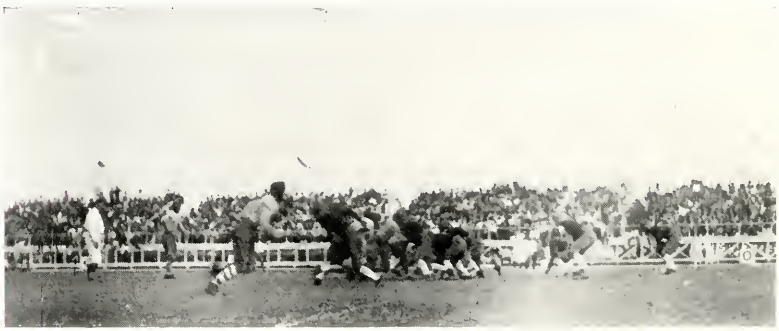

The Team

J. V. Wright, better known perhaps as "Goofy," captain of the best Major team in history, fulfilled the double duties of fullback and captain very capably in every game of the season. "Goofy" could pass the swineskin and run with it, and even boot it if necessary. Not a slow man at all. It was "just too bad" when he got started and loose.

"Joe" Selman, a fighting guard, was one of "Goat's" chief mainstays in the line and both offensively and defensively proved himself a valuable man.

Here we have another guard and what a guard! "Bulldog" Kelly lived up to his name and the fact that the Brannon Trophy (an annual award to the most valuable player on the team) was given to him proves his spirit as well as his ability. ALL-STATE.

John Bealle at end shone all season at turning 'em in and getting down on punts like a race horse. A hard man to get off his feet, Bealle was "in there" every minute.

JONES CAPTAIN-ELECT MAYNOR MILLER HOLLOMAN

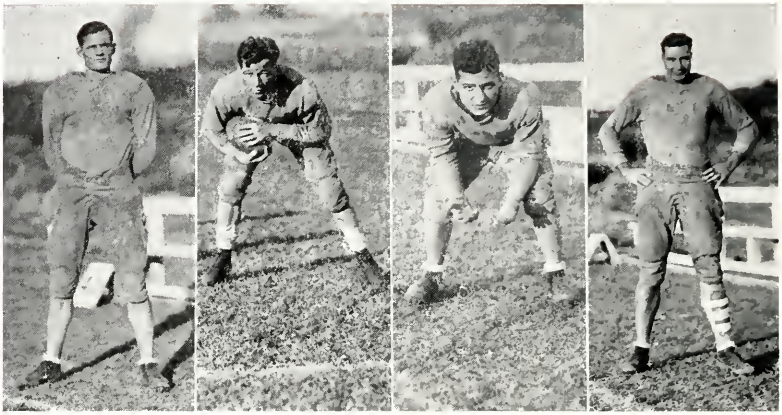

The fastest tackle and as good as any in the state, Lamar Jones spilled ball carriers behind the line many a time. His quick charge and hard tackling made him a vital cog in the Major machine.

Clayton "Molly" Maynor, that big blonde tackle, was, to put it mildly, a darn good man. The way the team felt about his value is shown in his selection to the captaincy for next year.

Jakie Miller, though closely watched in every game, starred on defense as well as running with the leather. The Lumberton flash was the best broken field runner in the state and waved mean hips, what we mean.

"Little Bo" Holloman followed in the footsteps of his brother and made a good field general for Millsaps. Bo was perhaps the best passer on the squad.

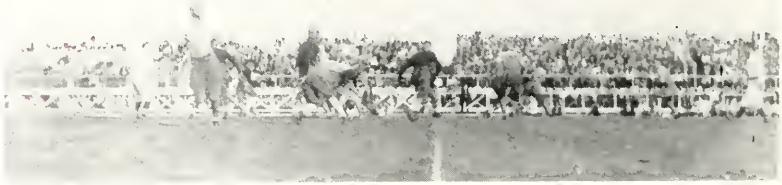

PASSEAU HALE ROMANO MOON

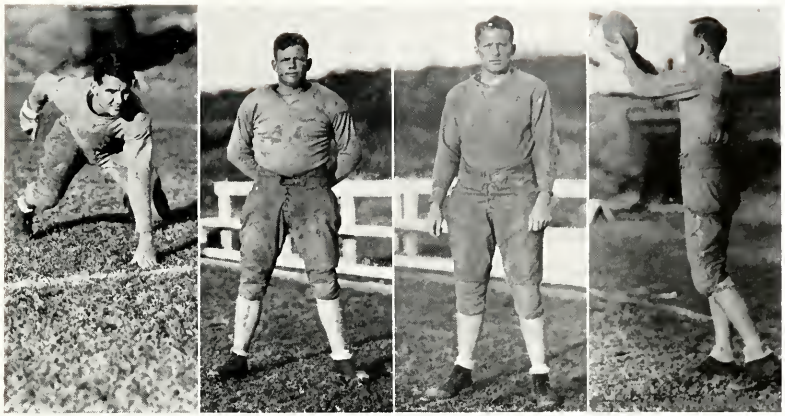

Built like the ideal halfback, big Passeau showed his stuff in the very first game of the season. Sheer drive is his strong point.

Quarterback is possibly the most important post on a football team, and to say that Marion Hale filled the duties of that position to satisfaction is enough. His punting was one of the features of his play.

Romano possessed more drive than any other man his size we have seen. He could block well, too, but his drive was remarkable. He has two more years.

John Sharpe Moon got made into one of the most versatile men in the line and plugged up holes here, there and everywhere—guard, tackle and center. "Old Man" Moon showed plenty of promise.

JACOBS VINING RIGGAN BELL

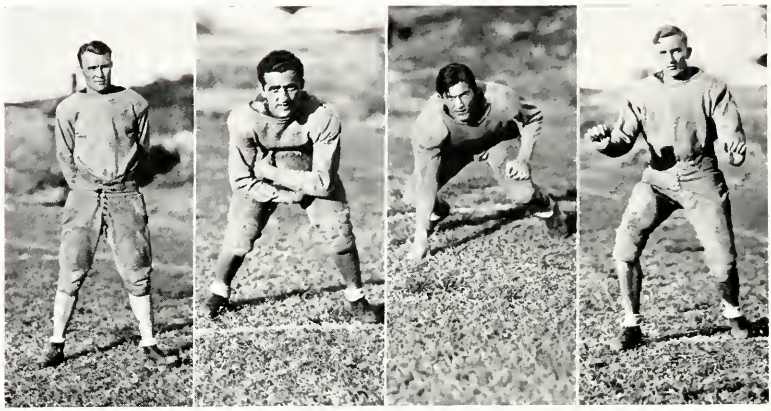

For one thing would Bill Jacobs, stellar end, be remembered, if for nothing else, and that is as the man who caught the pass that beat our ancient and honorable rivals from Clinton.

"Big Boy" Vining came to be a good football player and made an excellent lineman. He stopped 'em at guard.

At center our friend Riggan performed creditably, though hampered at times by illness Riggan was a good little snapperback.

Edwin "Eboo" Bell had the ability as well as the form to snag passes and was one of the best little ends on anybody's team.

WALKER KHAYAT RIGBY MAPP

About the fastest man on the guard, Charlie Walker twinkled his feet as one of our "pony" backs. He was good when the field was broken.

Eddie Khayat, who hails from Biloxi and doesn't mind admitting it, was a hard and sure tackler, a mean blocker and a nifty little ball-toter.

Out there working hard all of the time and learning more football every day, Rigby was an asset to the squad.

A gentleman named Excell Mapp was not a bad end, though light, and should prove valuable next year.

PERMENTER HAINING ERVIN TRAVIS

A little blonde block of ice Permenter seemed, so coolly did he run the team when he stepped in as quarterback.

Emmitte Haining, the boy from Satartia, fought hard at center and never quit. We are sorry to lose him.

Bill Ervin, one of our big linemen, learned a good deal of football last year and is bound to be a good man next year.

Lee "Blondy" Travis was fast and a hard hitter and, though he somewhat missed his calling at guard, a good man to have on the team.

The Football Season

Majors, 165; opponents, 50.

These figures tell the tale of the best football season in the history of Millsaps. All in all, the fighting little Major machine, lightest team in the state, lost but one out of ten games, tied three, and won six.

The Panthers of Clarke College fell before superior Major strength in the first game of the season, played at Alumni Field on a sweltering day. Howard was met and tied in a mud puddle in Birmingham. Then Arkansas A. and M. journeyed to Jackson to meet the Purple Wave and were purple and whitewashed, 46 to 0. The "game of the year" with the Choctaws was gloriously won at the state fair before a crowd of some 10,000 raving football fans. Next the Southwestern Lynx was tamed in Memphis and the Major machine came home to meet its first, last, and only defeat of the season in a sloppy mud battle with Birmingham-Southern. The Majors played their poorest to let L. P. I. tie them on the following week, 6 and 6. Then the Hale men traveled to Mississippi A. and M. and proved that they could play football by staying with the heavier Aggie team for four blank periods. Next the Millsaps squad nosed out the Southwestern Louisiana Bulldogs in a close game, 7 to 6. The last game of the season, played on Thanksgiving with Cumberland University, resulted in an easy victory for the Majors.

If the next Major machine is as successful as this one, it will be forced to move some.

LAFAYETTE 5 MEETS PURPLE

Wesleyan Meets Louisiana Tech For Third Place at 8 P. M.

TONIGHT'S PROGRAM

8 p.m.—Kentucky Wesleyan vs. Louisiana Tech for third place.

8 p. m.—Millsaps vs. Southwestern, for championship.

(By PUSSER HEWITT

The Purple of Millsaps opposes the Maroon of Southwestern Louisiana Institute of Lafayette at the city auditorium at 9 o'clock, the winner to be crowned champions of S. I. A. A. basketball.

Millsaps Wednesday defeated Kentucky Wesleyan 41-32 and Southwestern smashed the Louisiana Normans 43-31 in hard battles much closer than the scores indicate. The Texans during that night next tonight for third place. This game is to be called at 8 o'clock.

Millsaps won its way into the finals by playing the best brand of basketball they have exhibited on the local floor this season. The Purple offense clicked smoothly and Lamar Jones found the basket from all ranges and many angles, while Pascoal spread gloom in the Kentucky camp with his only shots.

Wesleyan was badly off at many times, and played the roughest basketball a Kentucky team has exhibited at the tournament.

Both were "hot" as irons, but the steady goal-producing tactics of Moreau Rodgers-her and cen-

MAJORS SHOW SPEED TO TRIM LOUISIANIA

Pineville Cagers Bow To Majors Fast Passing Attack; Militants Work Smoothly As Short Court Worries Visitors

A fast passing, smooth-working Millsaps Major Rocket team last night evinced unquestioning superiority over the Louisiana College Wildcats to trounce them 43-24 in the Millsaps gym, after the first half the issue was at no time in doubt.

The Purple cagers tossed in two markers to begin but the visitors soon ran the tally to 8-4, and held the lead for the only time during the clash until just before the end of the first half when the Millsaps, by virtue of the services of Jones and Pascoal knotted the score and forged ahead to lead 18-13 when the period ended.

At the beginning of the second half the Millsaps cagemen went on a scoring rree that quickly ran up the points to hold the upper portion of the period. Expensive play on the part of Coach Walden then cut the tally down to a slight six at five minutes to go, but the Majors netted two more in the closing seconds of play to hold the total lead up to eight points.

The short Millsaps court seemed to worry the visitors and their generally fast breaking attack went through for very little trouble scoring with no trouble.

Jones, at guard for the Majors, maintained his steady eye for final shots, while the cages were full of eight chances. Pascoal led Major scoring honors with eight baskets from the floor.

Stevens, stellar center for the Wildcats, outclassed teammate Phillips at forward, by a low mark of 91 on the scoreboard, but right in a point in scoring honors for the Louisianians, tossing in six field goals and one counting marker free throw. Allen Mitchell had lately put in the form of pabs, as was Stevens, before the ball ended 14-8 for the Purple but to no Militant fan in one aid, in Nobles, who had scored on the counter of the evening minutes to win with a great play snatching on his own account. Nick Duncan was the Chorus

CHOCTAWS GAIN LEAD IN MILLSAPS SERIES

Mississippi College Regains Wavering Confidence In Time To Take Advantage of Majors' Faltering Moments

For Mississippi, Captain Myers was overloaded with responsibility and reached his first measure of efficiency only late in the game.

Bennett, who with Duncan refined on personal fouls, was a good man in the form of pabs, as was Stevens. Stevens gained the floor in good fashion, but had Goddeard's luck at hitting the wicker. Goddeard, the eliminated Amite scoundrel, is a dead shot.

The Indians went eleven minutes before getting a field goal, and after making one marker from the bounds in the opening minute of the first half Millsaps went an equal length without pulverizing the basket.

The Majors caged five of fourteen chances at the floors. The Mississippians made four of their eight tries.

MAJORS OVERWHELM LNYX TWICE AT AUDITORIUM

Coach Orland Van Hook's Majors continued their march toward the S. I. A. A. championship Friday and Tuesday nights by trimming the Southwestern Lynx from Memphis Tenn. in two games 42-22 and 36-24. Both games were played in the city auditorium in front of the annual convention.

MAJORS WIN TWO GAMES FROM HOWARD

The Majors last week won two games from the Howard Buddies with the score of 54-20 for the first and 37-25 for the second game. By winning these two scores, the Majors made a clean sweep of the four game series. The Majors won two games from Howard in the two series earlier in the season.

In the first game on the Millsaps court, the Majors started off with a bang, scoring twelve points before the opposition could tally. Each Millsaps man had his eye on the basket and the score kept

Majors Defeat Canton "Y" by Score of 36 to 27

Although played to a standstill for the first half and a large portion of the second half, the Millsaps team won their second straight game over the Canton Y basketball team, Wednesday night in the college gym, by a score of 36-27.

Towards the close of the 4th when Hale, Kelly, and Brush opened up and started filling the basket Coach Lee sent in a number of reserves in an effort to stop the tide, but none proved very effective as the Millsaps continued the wicker assaulting tactics until the final whistle.

Less than a minute after the beginning of play Jones tossed a beauty from the floor, then footed Pascoal who made the grade count to make the count 2-1 Millsaps. A field goal by Hale, a foul shot by Pascoal and a field goal and a foul by Jones all in rapid succession then gave the Majors an eight point lead.

With the Millsaps defense working nicely the Indians did not register a field goal until after more than twelve minutes of play had elapsed when Brunch made a throw which Bennett and Branch then made two tosses from the floor, while Brush was running up the Millsaps tally and the half ended Millsaps 20 Mississippi college 13.

The Braves came back strong in the second half and scored ten points in the first four minutes, Branch and Bennett getting two field goals each and Dobson one toss for the wicker which raised results by inches several times.

Towards the close of the game Coach Van Hook sent in his entire squad of reserves, all of whom performed creditably.

Bennett, who was the leading scorer of the game with 11 points, starred for the Braves, while Brush was the outstanding performer for the Majors.

MUSKOGEE, N. Y., Feb. 13.—(AP)—Bert Acosta, who flew to France with Rear Admiral Richard E. Byrd three years ago, today was sentenced to six months in the Muskogee county jail for abandonment of his wife and two children. Acosta pleaded guilty to the charge which was brought by his wife on January

Varsity Basketball

A. L. Jones
Forward

Jones had a keen eye for the wicker and he seldom missed any shot when he was right. He was high point man in most of the games and he warmed up to the S. I. A. A. tournament. During this setto he ran true to form and displayed all of the dash, accuracy and teamwork that had characterized his play during the season. It was enough to win him a place on the first team picked by the sports experts and coaches attending the conference tournament. They placed him at forward on their first team. All-S. I. A. A. Jones will surely be missed when the Major machine starts to click next year. Captain Jones has played his last basketball for Millsaps.

Charlie Strait
Guard

Strait's play during the season was of all-conference caliber and during the tournament he proved his value to the team. It was mainly through Charlie's ability that we romped over most of our opposition this year. He was picked as a guard on the second All-S. I. A. A. team. He will return next year.

Frank Kelly
Guard

A football player who turned out to be a basketball find was ole "Shipwreck." His all-season play and consistency played a great part in the team's success. Frank is graduating this year.

Marion Hale
Forward

Hale was one of the best floor men of the team. He had a good eye for the basket and was fast and shifty as well as a good dribbler. He will return next year to carry on the good work.

Varsity Basketball

Claude Passeau
Center

Passeau handled the tip-off position well and will become a seasoned player. His skill in getting the ball off of the backboard counted much towards the success of the squad.

Joe Gouldman
Forward

Although he came out only in his Senior year, Joe was a valuable man because he could shoot, pass and dribble well. Much taller men saw Joe flash by and grab the ball on the tip-off.

"Coach" Noblin
Forward and Center

This boy from Pelahatchie learned to play basketball and made good. His passing was fine and he seemed to know how to open up for crip shots.

Howard Lewis
Guard

Lewis, a steady and dependable player, was one man that could be substituted at times when aid was needed.

Varsity Basketball

Excell Mapp
Forward and Guard

Mapp was seriously handicapped in the early season by a sprained ankle. His clever handling of himself and the ball marks him as a player with potentialities.

Calvin Hull
Forward

Hull's work was marked by speed, goal shooting ability and the fact that he was a Sophomore.

Lealon Martin
Forward

Martin, a tall Junior, had a good shot and knew a good bit of basketball. When he learns to handle himself in a game he will be valuable.

Benjamin Harrell
Guard

A contribution of the previous year's frosh team, Harrell developed considerably and will be an asset to next year's squad.

Varsity Basketball

The Major cage team of 1930 was perhaps the best in the history of the institution. With Jones, Hale, Gouldman, Strait, Kelly, and Passeau the first string men, Coach Van Hook welded a team that fought to win. With two All-S. I. A. A. men on his squad, Van went out after victories and in most cases he brought them back. Millsaps had the crown of the S. I. A. A. ordered only to have it snatched away from them by Rodemaker of S. L. I. The records speak better than anything that might be said.

Girls' Basketball

Although slowed somewhat by the loss of several regulars from last year the Majorettes developed a team that proved to be by no means bad. With Irene Flurry as captain the sextet from Millsaps gave every team they played plenty to remember. Irene was a stellar forward who could shoot remarkably well. She was aided at the other forward by Mary Hudson, who proved to be a good goal tosser. Catheryn Ratliff at running center shone in every game and never quit scrapping. Jumping center presented a problem to Mrs. Brumfield that she solved with the person of Katherine Jacobs. Dot Loflin and Blanche Nesbitt were capable guards. Mann, Simpson, Hutchinson and other Majorettes showed skill and form in aiding the team as well.

Freshman Basketball

The Minor basketball team, coached by "Goat" Hale, showed much promise of good men for the future varsity squad. Working his men with great thoroughness, Coach Hale put them in good shape and made them work together. With Lane at center, Willoughby and Jones at forwards, and Felder and Fitzgerald at guards, the Frosh presented a truly formidable team for a first year outfit. Cecil Jones, Dunaway, Greenlee and Smith saw much service.

HARRELL, MARTIN, WILSON, KHAYAT, HOOPER

Tennis Team

The ancient game of tennis has always been a favorite sport at Millsaps and the Major racqueteers have always ranked high in state tennis meets. Last year the Major net team, consisting of Fowler, Boswell, Ford, Sessions, Wilson and Martin were undisputed state college champions since they won over A. and M., Delta State and Mississippi College, the only schools boasting tennis teams. This year, with Wilson and Martin left from the varsity, and Harrell and Khayat from the Freshman team, another good season is foreseen. The addition of Charles Hooper to the ranks has increased the team's winning possibilities.

Varsity Baseball

It is hard to predict with any degree of certainty at such an early date anything about the Major baseball team. From the array and abundance of good material available it may be surmised that the nine will be a real ball club. "Goat" Hale will be in charge of varsity baseball, and if he does not mould a cracker-jack nine of diamond devils out of his large squad, then we miss our guess.

With a pitching staff of Norton Miller, Claude Passeau, DeWitt Shipman and several others, Hale will have but little trouble in the direction of the mound. Behind the plate will be Marion Hale of last year's varsity. As infielders Moon, Holloman, Jakie Miller, Flowers and other men should provide ample material. In the outer gardens both new and old faces will be found in Gouldman, Passeau, N. Miller, Permenter, Jacobs and Boone.

All in all the Major nine, from early indications, bids fair to be one of the best in the history of baseball at Millsaps, which is a strong assertion, for in the old days the Major bat and ball men were second to none in the state.

Track

Track has always been considered "a long neglected sport" at Millsaps, but with the advent of a new quarter mile track on Alumni Field it seems likely that this form of athletics will come to the front and take its place among the other major sports. The wide cinder track is already three-fourths completed and it is expected that the work will be finished this spring in time to be used by the team.

Last year was the first season in which a serious effort was made to have a track team and the success of the squad was remarkable, all things considered. Nall, Gouldman and Bell participated in the S. I. A. A. meet in North Carolina and each made a creditable showing. Nall won second place in the mile run. Gouldman showed his class by running the 880 in two minutes flat. Bell was excellent in the hurdles. Nall is not back with us this season.

Among the men who are working out under Coach Young, who is a veteran track man and a conference record holder, are Galbreath, Bell, Barrett, McLaurin and Arrington.

Resume of Athletics

Looking backward upon the stage of the school year, we see enrolled the most successful season that Millsaps has ever known in athletics. This is the general feeling, not only among the student body, but among the alumnae and over the state as a whole. It is a correct sentiment as a glance will show.

Football was a round of victories marred by only one defeat and three ties. Our ancient rivals, the Choctaws, of Mississippi, were blanked in a hard-fought game, 7 to 0. A. and M. was held to a scoreless tie and almost defeated. Other good games were played and a few bad ones, making the Purple record for this season the best one that Millsaps has ever had.

The basketball season was even brighter than the football season. Defeated by only three teams is a record that is very near unapproachable. Birmingham-Southern defeated the Majors by one point; the Choctaws scrapped us four times and scalped us three; then in the finals of the S. I. A. A. tournament, S. L. I. came through with a two-point victory and the conference championship. Wandering out of conference ranks, Millsaps defeated outstanding teams such as the Earle Cardinals, Memphis Triangles and the Jackson Y. The tournament found Millsaps facing Birmingham-Southern, Kentucky Wesleyan and, in the finals, S. L. I. Joining select company with Frank Kelly, who had been picked on the All-State football team, Jones and Strait were picked on All-Conference teams.

Freshman athletics continue in their winning way with Young directing the football activities, Goat Hale the basketball and Van Hook the baseball. For the fourth consecutive year the Mississippi Papooses were unable to score on the Minors. The Minors defeated them on home grounds, 12 to 0. Frosh baseball prospects are bright this early in the season.

Mrs. Brumfield's Majorette basketball squad proceeded in the customary way which is the winning way. Losing to the Delta State girls, Hillman, and a few other losses, marred the season, but by no means kept it from being successful. The girls wound it up in fine style by trouncing Ole Miss and Woman's College.

Varsity baseball should be as successful as the other sports. Coach Hale has a wealth of old material on hand and much new talent from the Freshman squad of last year with which to work. This is far in advance of the season, but from this distance it looks that we will win our ball games.

Thus we find ourselves in the spring of 1930 the possessors of a most creditable position in state and conference athletics. It is unnecessary now to say for the future: "We'll do it next year." Millsaps has arrived.

Little Bits of Nothing

On the left, boys and girls, we present Benjamin Ernest Mitchell. This is one of his favorite juvenile poses and caused a furor of excitement when exhibited among the little maids of his neighborhood. This little fellow spent ten years of his life taming the wild West and then he came to Millsaps disguised as a math teacher.

Who would have ever believed that this stalwart young man would rise to the presidency of a college? The neighbors picked him to be a gambler or a street car conductor. You never can tell just what these chaps will do. This one has the eyes of a butcher, the hands of a horse currier and the head of a college president. David Martin, you fooled the community.

'Twas the morning after Christmas and Santy had left this youngster a little red wagon. The little fellow beamed with joy, his eyes sparkled and he said "Goo goo." Here is little Aggie Sanders in one of his weak moments when he stooped to be a mortal long enough to have his picture snapped for future art galleries.

They are not placed in the order of their votes. Miss Sarah Owen King is the only beauty whose position in the section corresponds to the number of votes received. Millsaps is to be congratulated upon her beauties. There were about twenty girls in the race, but the six here pictured gradually and then hurriedly drew away from others. We present, in order of their appearance, Miss Sarah Owen King of Jackson, Miss Martha Thompson of Jackson, Miss Mary Woodliff of Jackson, Miss Elizabeth Knox of Jackson, Miss Martha Hamilton of Jackson, and Miss Thelma Roberts of McComb.

Whoozis—Much agitation in chapel about the Honor System. Students agree to support it—51%.

OCTOBER

5—The first tie of the year (quite possible since it was the second game). The Militants went all the way over to Birmingham to let the Howard Bulldogs do them this way.

11—Getting into the old stride. Majors, 43; Arkansas A. and M., 0.

14—Classes neglected as studes hit the sawdust trail on the State Fair grounds.

17—Ye olde pep meeting. Chocs burned in effigy, etc.

18—The day of days. Millsaps, 7; Choctaws, 0, but no one was in condition to do anything about it.

19—Millsaps students have money on this date for the first time in years. Choctaws are writing parents to replace that "lost" board check.

25—A little trip to Memphis results in another 7 to 0 victory for the Majors. And, by the way, it was Southwestern that defeated the Sewanee Tiger.

NOVEMBER

1—The horse laughs in the Purple and White for the first time. No—we don't know who he is.

2—Another wet Homecoming Day—all wet—Millsaps, 7; Birmingham-Southern, 20. The only blot on a perfect season.

8—The Co-Ed League is heard of for the first and last time. We slipped up and let L. P. I. tie us, 6 to 6.

16—The Majors took the week-end off, went up to Starkville and threw a big scare into that old cow college eleven. A fumble in the last quarter was what kept it from being a Millsaps victory. Score 0 to 0.

What have you? Hard times for doctors. B. B. Jones' apples arrive.

22—Southwestern Louisiana, 6; Millsaps, 7.

28—Oh, Cumberland, my Cumberland. Football season over. Turkey dinner on U. Z. Too close to exams to be thankful. Millikan dedicates Grute's science building.

DECEMBER

2—Examinations. Examinations. Examinations.

10—Second term begins. What of it?

13—Purple and White appears under new management. Millsaps players present "Broadway Jones." Mary Meek and R. P. Neblett display hitherto unsuspected amorous abilities.

17—Who's who contest held. Alpha Theta Mu—new fraternal organization—begins functioning.

19—Honor Council resigns. May God add his richest blessings.
Requiescat in pace.

20—Speedy preaches a funeral oration over the Honor System. Purple and White carries Santa Claus letters. Last day of school before the HOLIDAYS.

JANUARY

2—"Woke up this mawning with an aching haid." Classes begin meeting again.

Umtyieth—With a bad hangover from New Year's Eve, editor uses remainder of calendar to light the lighter he got for Xmas.

College Co-operative Association of Mississippi

This yearbook will be memorable for other things also, and for this announcement of the inauguration of the first state-wide citizens' organization for the financial support of our colleges. The College Co-operative Association of Mississippi was initiated on April 10, 1930. It has for its object the adequate equipment and support of all the colleges of Mississippi, both state and church owned. This involves the raising of five million dollars for endowment, plant, and equipment of the denominational liberal arts colleges in Mississippi.

The Executive Committee of twenty-five of the leading citizens and business men of Mississippi has permanent offices in the Lamar Life Building, Jackson, Mississippi.

Every citizen of the state, every school girl and boy, every man, every woman, and child is invited and expected to become a member of this Association and pay in for the purposes stated a *penny a day and up*. A plan of equitable and amicable allotment of these funds has been agreed upon by all colleges. Let every Mississippian whose eyes fall upon this announcement join this Association now, by sending a contribution at once to the College Co-operative Association of Mississippi, Lamar Life Building, Jackson, Mississippi.

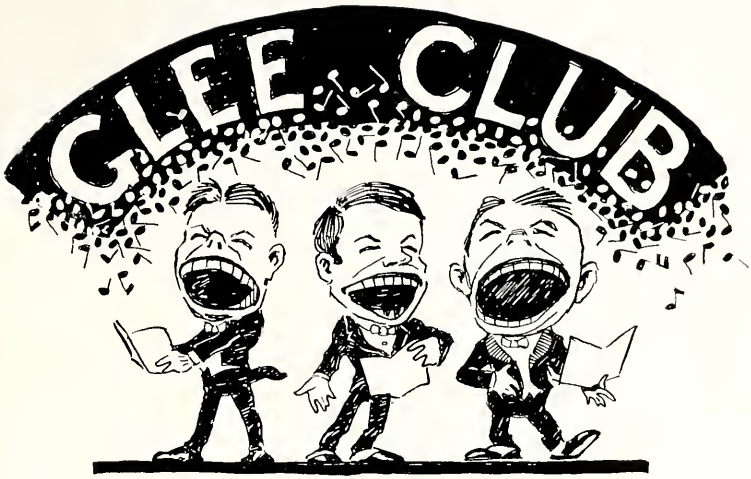

Let every college instructor, every college student in Millsaps College, and in every other college in Mississippi, join now by sending in a contribution. Let him also become an active field agent for carrying the information of this great citizens' co-operative movement to the people of his home community.
